Habib Bank AG Zurich Launches Secure Online Forex Platform for Clients

- HBZefx – secure online tool that enables customers to buy and sell currency
- Secure and flexible platform for HBZ customers
- Real-time execution with real-time web management capabilities

Habib Bank AG Zurich (HBZ), one of the leading international banks operating in the United Arab Emirates, has announced the launch of HBZefx – its new, Foreign Exchange trading platform. HBZefx is designed to provide a wide range of real-time services to its growing number of clients.

HBZefx is a flexible online tool that enables HBZ customers to buy and sell currencies through HBZ web, the bank's secure online banking platform.

HBZefx provides instant access and real time currency quotes. HBZ's competitive pricing, Straight Through Processing and flexibility to transfer funds directly between accounts makes the service accessible 24/7. The platform is available for existing and all new HBZ customers.
