Bank has new phone payment method

DUBAI - Habib Bank AG Zurich (HBZ) has launched its new Etisalat payment methods for all HBZ customers who have fixed, mobile, Internet or Wasel telephone lines from Etisalat. , "Increased service to our customers is paramount in our minds. As the population in the region becomes more connected, we try to help to make communications as simple as possible - in this case offering a quicker and more convenient payment method to Etisalat customers," said Amer Farid, the bank's assistant vice president.
